

Small Town

20th September 2010

Big Heart

Dear Peter & the Team at Car and Commercial Rentals

We would like to express our heartfelt thanks to you for all that you and your team did to assist us with the amazing "Small Town Big Heart Concert" on Sunday the 12th of September at The Manfeild Event's Center. Manchester Square • Feilding

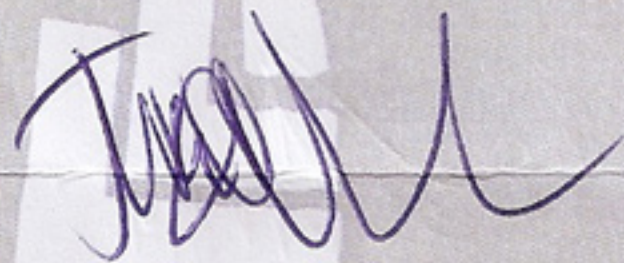

Over 3000 people came to support Feilding and watch our "all local line up" of Evermore, Tom and International Rescue play who were very impressive.

The level of support shown by you and others just goes to show what an amazing community spirit we have. It was a great coming together of the community and I'm sure it's something we could all do together again some time.

The aim of the concert was to put smiles on faces and I'm sure you'll agree we accomplished that!

Without your help this event could not have been possible so again we thank you very much.

Yours faithfully

Jason West
Promotion & Marketing Manager

Mike West
"Mike West in the Morning"
